ADDITION TO THE MINUTES

The Board of Education of Salt Lake City School District acts by vote of a majority of the board members in an open and public meeting. Statements by individual board members, in or out of board meetings, written, oral or in social media, do not necessarily represent the views of the majority of the board or any other board member. Nevertheless, out of respect to the elected office that each board member holds and consistent with state law and board policy, the board allows its members to attach to board meeting minutes any other information that any member requests. When the board votes to approve minutes, that vote signifies that the minutes are a correct record of what occurred and what was asked to be included in the minutes. It does not signify any individual board member's agreement with the substance of the content.

The following information has been included in the minutes at the request of the board member(s) indicated or was distributed as part of the Public Meeting of the Board.
